# SCALA

SCALA MEDIA PLAYER-SP

Entry-level dual 1080p output media player with full device management and support for multi-zone, HTML5 and ScalaScript content. Ideal for simple applications such as menu boards, schedules, directories, information boards and other displays with a lighter content load. With a slim form factor, an anodized aluminum housing and fanless design it fits into any digital signage location while staying protected from dirt and dust.

SMALL FOOTPRINT, BIG PERFORMANCE

OPTIMIZED ARCHITECTURE FOR DIGITAL SIGNAGE

COMMERCIAL-GRADE RELIABILITY
